

Support the Bytown Voices Community Choir

Donor Information Page

The **Bytown Voices** is a non-audition community choir made up of more than 60 enthusiastic singers from across the National Capital Region (Ottawa and Gatineau) region. We perform two concerts each year, often with other choirs and frequently with guest soloists. We perform additional outreach choral events at seniors' residences and long-term care facilities. The choir is open to singers of all ages from 9 to 99 and includes soprano, alto, tenor and bass voices. Bytown Voices has operated continuously for almost 25 years. We sing under the director of music, Joan Fearnley and our accompanist is Carla Klassen.

The choir is funded mainly through fees, ticket sales, donations and fundraising activities. We are seeking financial support, post-covid, to assist us in continuing the presentation of quality musical programs for our community. The choir accepts donations at various levels and all donations and assistance receive recognition in our concert programs, on our [choir website](#) and elsewhere according to donation level.
